## Student Sharing 學生分享

“ Studying alongside classmates from diverse professions - like social workers, care workers, and research assistants - was invaluable. In group projects, we all contributed the unique 'language' of our industries, allowing us to see the same case study from multiple angles. This transformed my understanding of 'social services' from a simple term into a truly multi-faceted concept.

在港專認識到來自不同背景的同學，如：前線社工、護理員、助理研究員等，在分組做報告時大家把各自行業的「語言」帶進來，使同一個案例可以有不同角度的補充，令我對「社會服務」四個字有了更立體！”
